Classic

LID/BODY	Polypropylene
PACKING	Rubber(silicone)

The four-side locking lid, standard of absolute airtightness

Hollow silicone packing and four-side locking on the lid delivers outstanding airtightness.

The safe and durable plastics

Strong durability allows the lid to open more than three million times. The unique patented airhole makes these containers air and liquid tight PP material makes our container a safe choice in both microwave and dishwasher.

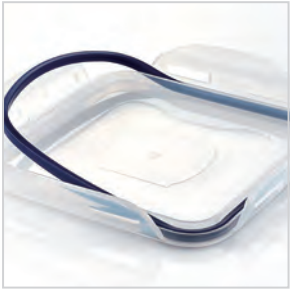

Various shapes and sizes for all purposes

The Classic container series comes in various shapes from round, square, rectangular to deep and stacked ones to store food and other living goods for various volume.

Europe standard quality

The Classic earned top-quality grade(sehr gut) across 12 categories including Δfood ingredient safety Δairtightness Δdurability Δlid opening and closing Δapplicability in microwave Δ ease of washing in Öko-Test known as Europe's Consumer Report

WVTR (Water Vapor Transmission Rate) is a test where the lower the WVTR number, the more airtight the container.
This low level container ensures food retains its freshness for longer period of time.

Wave

Unique design with a calming feel. The 'wavy pattern' on the floor of the container reduces surface contact, keeping food fresh longer. After freezing, the ‘wavy pattern’ of the floor prevents food from sticking to the bottom. With nesting and modular capabilities, they can be stacked and neatly stored.

Premium Stainless Steel (18/8 Stainless Steel)

18/8 Stainless Steel is the industrial standard for stainless steel, as seen in water pipes and medical equipment. It is highly resistant to corrosion. Odor-free and stain-free with strong durability and heat resistance.

Nestable Design

Designed with nestable shape which saves space in cupboard or pantry when it is stored

Freezer, Refrigerator, Dishwasher Safe

Dishwasher-safe lid and body are made of perfectly safe materials and are capable of being stored in cold temperatures.

Clear Lid with Clip Hinges

Check inside contents through the clear lid. Durable clip hinges provide secure locking.

Stainless Modular

18/8 Stainless Steel and ECOZEN are dishwasher-safe materials. Odor-free and stain-free. Modular and nestable designs allow you to save space in your cupboard and pantry.
